Subject Index

(C) correspondence
(E) editorial

abdomen: 'prune-belly' syndrome (*by title*), 539
abnormalities of ear: radiology of congenital conductive lesions, 821
acanthosis nigricans and lipotrophic diabetes (*by title*), 578
 -- (?) , oral (*by title*), 740
accident prevention: air-sea rescue - clinical problems (*by title*), 15
accidents, traffic: contribution of medical surveillance to road safety, 240
accommodation, ocular: loss of, 261
acidosis, lactic, in beer drinker's cardiomyopathy, 544
acoustic stimulation: cochlear implants - new approach, 379
acupuncture in relief of undiagnosed chronic right-sided abdominal pain (*by title*), 275
adrenal cortex hormones: use and misuse of intra-articular corticosteroids in treatment of temporomandibular joint pain, 461
afatoxins: possible human hazards (*by title*), 115
agranulocytosis: neutropenia of West Indians, 39
airway obstruction (*by title*), 15
airway resistance: expiratory resistance and airway pressures, 784
alcohol drinking: effects on nutrition, 333
 --: endocrinological and metabolic effects, 337
alcoholism: beer drinker's cardiomyopathy, liver failure, hyponatraemia, &c., 544
 -- in the aviation industry, 116
 --: plain treatment for, 344
 --: the English drink problem through the ages, 202
alveolitis, fibrosing, with dermatomyositis: response to treatment with cyclophosphamide, 738
amelogenesis imperfecta with nail dystrophy (*by title*), 575
amino acids: GABA and other (*by title*), 15
anaemia, sickle-cell, homozygous, and surgery (*by title*), 368
anaesthesia and blood (*by title*), 724
 -- and haemoglobinopathies (*by title*), 724
 --: expiratory resistance and airway pressures, 784
 -- for biliary and pancreatic surgery, 152
anaesthesia, epidural: polyradiculopathy following hyperthermic treatment under (*by title*), 353
anaesthesiology: medical disease and the anaesthetist, 142(C)
anaesthetics: damage to larynx (*by title*), 784
 --, intravenous: factors predisposing to hypersensitivity reactions to, 782
 --: subclinical responses to (*by title*), 784
anatomy: findings in congenital conductive deafness, 816
 --, surgical, of middle cranial fossa approach to internal acoustic meatus (*by title*), 781
angiomatosis: postnasal angiofibroma (*by title*), 460
angio-oedema: new variant (*by title*), 283
Anglo-American Conference: influence of litigation on medical practice, 579, 658(C)
animals, laboratory: cats, 1(E)
ankle joint: external rotation injuries - mechanism and conservative treatment (*by title*), 422
anorexia nervosa, 464, 658(C)
 --: differential diagnosis, 686
 --: do we need a scapegoat?, 570, 658(C)
 --: general management and prognosis (*by title*), 474

anthrax: importance of medical and interdisciplinary liaison in its investigation (*by title*), 45
antibiotics, ototoxic: electrocochleographic study (*by title*), 383
antigens and autoantibodies, muscle, 327
antimony, observations upon, 756
antioxidants: vitamin E and antioxidant activity, 91
arteritis, giant-cell, with gangrene in a child (*by title*), 275
arthritis around the elbow (*by title*), 631
arthritis, rheumatoid, and the eye, 221(E)
 --: histiocytic medullary reticulosis presenting as, 632
 --: otoadmittance measurements in patients with (*by title*), 383
 --: penicillamine in treatment of, 67(E)
asbestos, chrysotile, subjected to prolonged milling: variation of physical, chemical and biological properties (*by title*), 44
 -- content of dust encountered in brake maintenance and repair, 32, 291(C), 369(C)
 --: use of EMI scanner in workers exposed to (*by title*), 44
ascorbic acid: nonscorbutic effects - biochemical aspects, 86
ascorbic acid deficiency: nonscorbutic effects - clinical aspects, 84
asthma in pregnancy, 97
 --: status asthmaticus - recognition, assessment, management (*by title*), 15
astrology, medical: relation to modern psychiatry, 105
attitude to death: dying and dying well, 71, 290(C), 369(C)
auditory perception: the hearing ear - variations on a theme of Helmholtz, 128
autoantibodies, muscle, and antigens, 327
automation of exercise testing (*by title*), 175
 -- of measurement procedures in pulmonary function test: - current trends, 169
 -- of pulmonary function tests: application of computers to, 171
automobile driving: driving fitness, 240
 --: health of long-distance drivers, 243
 --: international aspects of driving licensing, 246
automobiles: asbestos content of dust encountered in brake maintenance and repair, 32, 291(C), 369(C)
aviation industry: alcoholism in, 116
avitaminosis: folate deficiency - pathology, 82

bacteriuria, significant: natural history of, 149(E), 441(C)
bacteroides infections: septicemia following anorectal sepsis (*by title*), 281
Basch, S S K R von: blood pressure measurement, 796
behaviour and health: longitudinal study, 530
Behçet's syndrome with arterial and renal manifestations, 540
benzodiazepine tranquilizers: lorazepam as a premedicant (*by title*), 788
bereavement, child: family reactions, 54(C)
betamethasone induction of labour (correction), 100
biliary tract: surgery - anaesthesia for, 152
biochemistry: general practitioner and chemical pathology laboratory, 719
 --: markers in breast cancer - evaluation, 843
 -- of brain degeneration, 349
 -- of dementias, 351
 --: profiles in tumour monitoring and their analysis, 840

biopsy in leprosy, 731

Birmingham Employment Rehabilitation Centre, 654

'black light': effect on (1) poikiloderma atrophicans vasculare, (2) chronic superficial dermatitis, (3) vitiligo (*by title*), 740

bladder: implants for (*by title*), 239

bladder exstrophy: cosmetic vulval surgery following repair of, 534

bladder fistula following surgery (*by title*), 634

bladder neoplasms in association with chronic urinary tract infections, possible aetiology for – demonstration of nitrosamines in human urine, 413

– in England and Wales: epidemiology, 411

blindness, river (*by title*), 326

blood and anaesthesia (*by title*), 724

blood coagulation disorders: coagulation defects (*by title*), 724

blood platelet disorders: idiopathic thrombocytopenia in pregnancy (*by title*), 100

blood pressure determination: short history of, 793

blood transfusion, massive: oxygenation in relation to (*by title*), 724

body temperature regulation in the newborn, 207,

371(C); overhead radiant heaters, 209

– – –: physiology (*by title*), 211

bone diseases: osteolysis, *in vitro*, by human breast tumours, 191

book reviews: some reflections on, 119, 372(C)
